In the Kitchen with 6 Famous Cooks

SIX TRADITIONAL NEW ENGLAND DISHES

(Ed. Note: This is one of a special series of articles contributed by Famous Cooks. Their recipes are "different." Cut them out and paste them in your cook book.)

Probably no section of the country is as famous for its traditional dishes as New England. The eating of beans and brown bread has become a rite in many of those old homes.

MISS LUCY G. ALLEN

Miss Lucy G. Allen, head of the well-known Boston School of Cookery, has spent all her life in New England. She has taught hundreds of women cooking in her classes, and has written many cook books, among them "Choice Dishes for Clever Cooks," and "Table Service."

She has contributed to this unusual cooking series recipes for six typically New England dishes.

Boston Baked Beans

Pick over one quart of pea or kidney beans, wash, cover with cold water and soak over night. In the morning, drain, cover with fresh water and simmer until the skins begin to break. Drain, add one tube of fat salt pork, scored, in a bag, and one teaspoonful. Turn the pork to prevent the beans from burning. Mix one tablespoon of salt, one tablespoon of molasses, two tablespoons of sugar, and one-half teaspoonful of mustard; add these ingredients to two cups of boiling water and pour over the beans. Then add enough boiling water to cover the beans. Cover the beanpot and bake in a slow oven, uncovering the last hour of cooking.

Steamed Brown Bread

For a nutritious supper meal, serve steamed hot brown bread with the beans. It's a prime combination. Many folks like to eat cooking with the beans, even the original New England Brown Bread.

Mix and sift one cornmeal, one cup of rye meal, two teaspoons of soda, two teaspoons of salt; one-half cup of molasses and about two cups sour milk. Let stand for half cups of milk. Let stand for half cups of milk. Let stand for half cups of
